CARMEN & ELVIS

Both qualified as dentists in Romania and have been working in North Wales for many years. They are experienced in providing all types of general dentistry. Carmen also has an interest in facial aesthetics and cosmetic dentistry. Elvis enjoys adult orthodontics and dental implants.

DAN PACTHER

Qualified from university of Manchester in 2008. He has been placing and restoring dental implants since 2013. He provides all implant work from simple cases to full jaw corrections.

GERGANA

With over 10 years of experience in the dental field, Gergana started her career as a dental nurse before advancing to earn a degree in Dental Hygiene from Bangor University. Combining hands-on experience with academic knowledge, Gergana is dedicated to delivering exceptional and professional care to all patients while promoting oral health. Outside of work, Gergana enjoys spending time with her two German Shepherds, Luna and Reiya, who are a constant source of joy and energy in her life.

DR. ASHA

Is a compassionate and gentle dentist with over five years of experience in general dentistry. She is especially skilled at helping nervous patients feel at ease and has a special interest in aesthetic treatments, combining clinical care with a warm, patient-focused approach to create confident smiles.

They all love working with nervous patients and providing care.
